

Version 2012

Development of Group and Leader Certificate

The course is based on experience of situations reflecting group dynamics and understanding your own role in these situations or dynamics.
The overall objective of the course is for the participants to become more effective as group members and leaders. UGL is completed over five consecutive days.

Henrik Lindberg

Objectives:

- Increase selfconfidence and self-insight
- Understand the need for different leadership styles
- Be able to communicate directly and clearly
- Increase insight into your own personality
- Be able to identify and handle conflicts
- Perceive different phases of a group's development
